a note from the director

Greetings, friends of NDUEC,

It is my pleasure to provide an update on the wonderful work of Sr. Maria Therese, SND, and her team at the Notre Dame Urban Education Center. The NDUEC team continues to deliver on the center's mission of providing transformative education programs to children and families in our urban communities. This school year marked NDUEC's 15th anniversary, along with the continued enhancement of the center's programs and expansion of its services. Expansion of the center's impact was supported in part through transportation provided by a new transport van, officially put into service this year. Sr. Maria Therese and her team look forward to continuing to expand the center's impact by providing transportation to as many students as possible.

Jason E. Lenihan

NDUEC continued to deliver on its mission this year, serving 96 students across its three educational programs. Eight students attended the Early Learning program, including two who received support learning English as a second language. By year end, 100% of the early learning students were assessed as kindergarten ready. The summer academic program served 27 students; 86% of those students improved proficiency in Math and English. Last, Homework Plus expanded its impact, serving 29 students from 12 schools. Under Sr. Maria Therese's leadership, this program serves students from diocesan, public, private, and home schools. Homework Plus effectiveness measurement has been enhanced by partnering with the schools to obtain report cards for nearly 90% of the students. These report cards confirm the program's success, with 84% of the students showing academic improvement. Lastly, the center continues to serve a racially diverse student population, with 67% of its students coming from diverse backgrounds.

Speaking on behalf of the leadership team and the Board, I would like to recognize that these great successes could not be achieved without the support of our 275 volunteers, 150+ donors, 19 Charitable Foundations, 24 Collaborating Partners, and 2 Corporate Sponsors.

In closing, I would like to extend the Board's heartfelt appreciation to Sr. Maria Therese and her team for their dedication and steadfast commitment to our mission. I can state with certainty that they are acting as prudent stewards of your support and are offering hope and opportunity to the students and families of our community.

With sincerest appreciation,

Jason E. Lenihan
Chair, NDUEC Board of Directors 2023-2024

our mission

Providing transformative educational experiences to impact individual wellbeing.

NDUEC in Numbers

6 Staff	84% of Homework Plus student report cards showed improvement in grades
96 Students	86% of Summer Academics students improved in Math and English
275 Volunteers	100% of Early Learning students scored Kindergarten Ready
4,788 Volunteer Hours	100% of Family Night participants were pleased with the engaging topics
